

**ADVERTISEMENT FOR THE POST OF A CONSULTANT FOR
DEVELOPMENT OF BOOKING/BILLING SOFTWARE FOR ELECTRICAL
E-VEHICLE CHARGERS**

Application are invited along with complete bio-data for the one post of a consultant for development of booking/billing software for electrical e-vehicle chargers in the CSR-Industrial research project entitled “**Development of efficient Photo Voltaic (PV) Solar Power Plant and Concentrated Solar Power (CSP) Plants for integrated Electric Vehicle charging station**”. Position is purely temporary and co-terminus with the project or completion of the assigned work. The consultant fellow will be governed by the funding agency guidelines and the performance will be assessed accordingly.

Qualifications:

For Consultant

The Candidate must be M.E./M.Tech./MCA (pursuing or completed) in computer Science/Computer engineering. Candidate must have ability to work on system integration with hardware using computer system, mobile phone etc. with proven experience. Relevant research experience will be preferred.

Emoluments: Rs. 3, 00, 000/- (fixed).

Payments Terms: First 25% at the start of work and development of algorithm, next 25% on partial completion, another 25% on the development of complete software. Rest payment will be made after three months after testing and debugging of the software. All decisions will be made by the committee/Pis of the project.

Interested candidates can send their application through e-mail (sgautam@pu.ac.in), along with complete biodata by **August 10, 2021**. Date of the interview for the said post will be notified by the email/phone for eligible candidates only. No TA/DA will be paid for attending the interview. The filling of the said post of project consultant for development of software will depend upon suitability of the applicants and committee’s decision will be final.
